

Together, we make IT happen.

THE PREPARED BUSINESS RECOVERS — EVERYTHING. EVERYWHERE.

*Imagine Recovery
Without Limits*

The most prepared businesses recover everything – from a single file to an entire platform – every time, no matter what.
We're the ones that make sure they do.

WE ARE eGROUP

Since 1999, we've helped organizations of all shapes and sizes, in all kinds of industries keep their data and systems safe, secure, and prepared with an array of Cloud, Data Center, Security and Application architecture solutions.

Now, together with Rubrik and Microsoft, we're making IT happen for even more businesses.

THE SPEED AND CERTAINTY TO WORK SMARTER

BUSINESSES DON'T MOVE FORWARD ON MAYBE.

Bring the certainty, speed, and security your organization needs to stay up, running, and results-driven. We'll help you capture the agility that moves business forward.

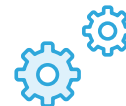

LIMITLESS CAPACITY

Keep just the right amount of data on-premises and archive the rest to the Cloud for the right balance between fast recovery and data retention.

NEAR-ZERO RECOVERY TIME

Imagine a software-defined platform that unifies backup, instant recovery, replication, search, analytics, archival, compliance, and copy data management all in one secure fabric across the data center and cloud.

EXPERT MANAGEMENT

Our experienced team manages the day-to-day operations of your mission-critical IT infrastructure, so you can rest easy—and focus on your business.

Together, we make IT happen.
